The Access Point Medical™ Basic Rollator shown in blue

Product Overview

The basic rollator is an empowering alternative to a walker. Its sturdy construction, perfect for indoor and outdoor use, offers increased comfort and ease of mobility. The handles adjust to suit user's height while the reliable, loop-style brakes are safe and easy to use. The unit folds easily for transport and can fit tight spaces by removing the backrest.

Features

- Pivoting wheels allows easy user mobility
- Comfortable backrest for support
- 6" wheels with wheel locks for stability
- Maximum capacity of 250 lbs.
- Handy wire basket for storage

Warranty

APM warrants this product to be free from defects in materials and workmanship for a period of one year from date of purchase.
