The Access Point Medical™ Heavy-Duty Rollator

Product Overview The four-wheeled, heavy-duty rollator is perfect for inside and outside use. Its sturdy aluminum construction offers ease of use and safety; the handles adjust to suit the user's height. The Heavy-Duty Rollator is equipped with a padded seat, backrest and a handy wire basket. It is available in a textured silver finish. The unit folds easily for transport and stores in tight spaces by removing the backrest.

- Features**
- Padded seat for added comfort
 - Comfortable backrest for support
 - 8" wheels with wheel locks for stability
 - Maximum capacity of 400 lbs.
 - Handy wire basket for storage

Warranty APM warrants this product to be free from defects in materials and workmanship for a period of one year from date of purchase.
