*The Access Point Medical™ Transfer Bench*

**Product Overview** The transfer bench features comfort, stability and tool-free assembly (simple to demonstrate to end users). It has an aluminum frame and a wide, molded, three-section seat. Rubber tips prevent the bench from slipping while bottom holes provide proper drainage. The back of the bench can be repositioned to allow access from either side.

- Features**
- Frame made from corrosion-resistant aluminum
  - Curved molded back for added support and comfort
  - Molded back can be removed or repositioned
  - Tool-free assembly
  - Maximum capacity is 300 lbs.
  - Rubber tips with drainage holes

**Packaging** 2 per case

**Warranty** APM warrants this product to be free from defects in materials and workmanship for a period of one year from date of purchase.
